The Purpose: To elevate some of the difficult teachings of Jesus for our encouragement and warning.

*II. Be Content to be Last—Though the Twelve Fought to be First [v. 33-35]*

*III. Welcome a Little Child—And So Welcome the Father and Son [v. 36-37]*

*IV. Appreciate Those Not Against You—And Those Who Give Water To You [v. 38-41]*

*V. Don't Cause Jesus' Kids to Stumble—And Know How Not to Stumble into Sin [v. 42-47]*

*VI. Be Warned of Hell—And Flee the Things That Take You There [v. 48-49]*

*VII. Know the Heavenly Way—And Go the Heavenly Way [v. 50]*

The Sermon-in-a-Sentence: Disciples of Jesus discover and do these seven difficult teachings.
